PROFILE

I'm a third-year Creative Business student with a passion for web development, UI/UX design, and graphic design. I've rebranded websites, apps, and brands professionally, and I'm currently pursuing a Next Web minor to further improve my skills in this field.

SKILLS

Software:

- Adobe Creative Cloud (Illustrator, XD, Photoshop, InDesign, Premiere Pro)
- Figma
- HTML & CSS/ Javascript

Design

- UI/UX Design
- Interface Design
- Usability Testing
- Usability Research
- Agile Development
- Scrum

WORK EXPERIENCE

JUMBO FOODMARKT, BREDA

December 2018 - Present

Employed at the cheese department where my tasks consisted of anticipating customers' needs, giving advice, prioritizing tasks, maintaining the inventory level and handling complaints.

FRIETPANTERS, BREDA

June 2022 - Present

Responsibilities include operating a cash register and processing payments, ensuring cleanliness and restocking of the work area, preparing made-to-order fries and snacks deep-frying pans, handling inventory, maintaining knowledge of available products and services, and adhering to proper food handling procedures.

FREZZO, BREDA

March 2020 - October 2020

Responsibilities included providing excellent customer service, maintaining a clean environment, preparing and scooping high-quality ice cream, managing supplies and inventory, following health and safety protocols, and addressing customer complaints in a professional manner.

DRAWING INSTRUCTOR, PRINSENBEEK

December 2015 - July 2018

As a drawing instructor for young children (7-10), my responsibilities entailed teaching basic drawing skills, demonstrating techniques and providing constructive feedback, fostering a safe and inclusive environment, encouraging creativity, managing children's behavior, and evaluating student progress to adapt instruction as necessary.

EDUCATION HISTORY
